The report cabled yesterday about the Rothschilds coming to the rescue in Paris is practically commend and it has for the first and the file. A bank is being formed in Paris with a capital of £000.00 sterling for the purpose of facilitating arrangements at the next bourse settlement.

The position here has materially improved today. Prices were all better but it is still feared that the settlements in Paris at the end of the month will be serious. Americans were flat and closed at the lowest on rumors of a further rise in exchange.
